Dear Sirs:

On January 18, 1995, we received the completed site assessment for the subject location. We have determined after careful review of your report that no further action is warranted. However, this does not absolve you of any responsibility for contamination that may not have been detected or noted during the site assessment.

If you have any questions, please feel free to contact Kelly C. Gage at (910) 373-3771.

Sincerely,

A handwritten signature in cursive script that reads "W. Waddell Watters".
